Instructions

Your users need to install an app on their working smartphone.

1. Download „Power Tools Bin Location“ App to iOS or Android Smartphone, you have three options

- Search for „Power Tools Bin Location“ in the App Store or Google Play
- Copy Download Link <https://rebrand.ly/342343> and send it directly to your user
- Scan QR - Code from your users device

2. Insert code from dashboard of the user to connect with your store

Close

1

(1) - Closes modal popup.
